COMPLIMENTS FOR MIKE

“This is great news... great job for thinking outside the box.”

“I want to personally acknowledge the good work performed. I did not have one review note or comment on the financial statements. They were completed and ready to send to the client. Thank you for your dedication to the client and to the detail prior to principal review!”

“Thanks for the quick turnaround.”

“Wonderful job. Appreciate.”

“Wanted to thank you for all of the he is doing for our PPP forgiveness and tax credit. We are so grateful for the extra money that we would not receive without you help. He is doing an amazing job of talking to the bank representative. Definitely a challenging situation.”
